Dear Jim Clark & Robertson Brothers:

On behalf of The City of Wixom and Rebuild Together Oakland County Program, we would like to extend our sincere appreciation for your donation of a refrigerator and stove on the Rebuild weekend of April 26 & 27. Your donation can transform the souls, both of those who give and those they help. We are very appreciative of your generosity to the community but, more importantly, Bernadette Carrico appreciates your generosity in making a difference in her life. We commend you for your efforts put toward helping one person live a better life.

The City of Wixom and the Rebuild Together Oakland County Program express our heartfelt thanks for all you have done.

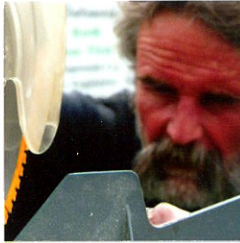

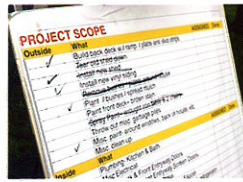

Sincerely,
Linda Hinkley

“Volunteering can be an exciting, growing, enjoyable experience. It is truly gratifying to serve a cause, practice one’s ideals, work with people, solve problems, see benefits, and know one had a hand in them”

Quote from Harriet Naylor

Thank you for the generosity of your time and talents. Your product donations made all of this possible. I am very grateful. May you be blessed for the kindness you have shown me.

*Sincerely,
Bernadette Carrico*
